What can you do if you suspect a child or adult is being physically, psychologically or sexually abused?

The way of proceeding can be completely different according to every situation.

The listed specialist departments offer you free advice in the Oldenburg district and are organised according to:

- Urgent aid “around the clock”
- Specialist departments

If you suspect or have a case of violence in your area, you can pass on the relevant numbers to the parties concerned or to their relatives, or get advice and information yourself.

First contact to clarify the situation, crisis intervention, referral to the responsible authority,
