The birth of a child changes your whole life. It is quite natural, that in this special time you will have many different thoughts, feelings and questions.

Therefore, it can be helpful to speak with a professionally qualified person in order to be able to gather your thoughts and ask questions.

The listed specialist centres are only a small overview of the information centres in the Oldenburg district and in the neighbouring communities.

You can find further, more detailed information regarding the topic of pregnancy and birthing and more information centres in our guidebook, which can be downloaded free of charge from the Equal opportunities website of the Oldenburg district.
